DIMENSION DATA MAKES AN OFFER TO ACQUIRE THE COMMUNICATIONS DIVISION OF JEBSEN & JESSEN GROUP OF COMPANIES IN SOUTH EAST ASIA

Acquisition will further expand Dimension Data's capabilities and skills in the communications space

Singapore – 25 August 2015 - [Dimension Data](http://www.dimensiondata.com), the USD 8 billion global ICT solutions and services provider, today announced that it has made an offer to acquire the communications division of the Singapore headquartered [Jebesen & Jessen](http://www.jebesen.com) Group of companies in South East Asia, for an undisclosed sum. The acquisition includes Jebesen & Jessen Communications operations in Singapore, Malaysia, Thailand, Indonesia and Philippines. The acquisition is conditional on certain conditions being met, as set down and agreed by both parties.

Jebesen & Jessen Communications is a market leader in converged communications in South East Asia. With over 250 employees who support over 800 customers, the company designs, installs, maintains and supports solutions including unified communications and collaboration, contact centres, and mobility solutions.

If successful, the transaction will be completed in the next few months, and will further expand Dimension Data's capabilities and skills in the communications space - particularly in the areas of contact centre, collaboration and mobility solutions.

- ENDS -

About Dimension Data

Founded in 1983, Dimension Data plc is an ICT services and solutions provider that uses its technology expertise, global service delivery capability, and entrepreneurial spirit to accelerate the business ambitions of its clients. Dimension Data is a member of the NTT Group.
